Introduction

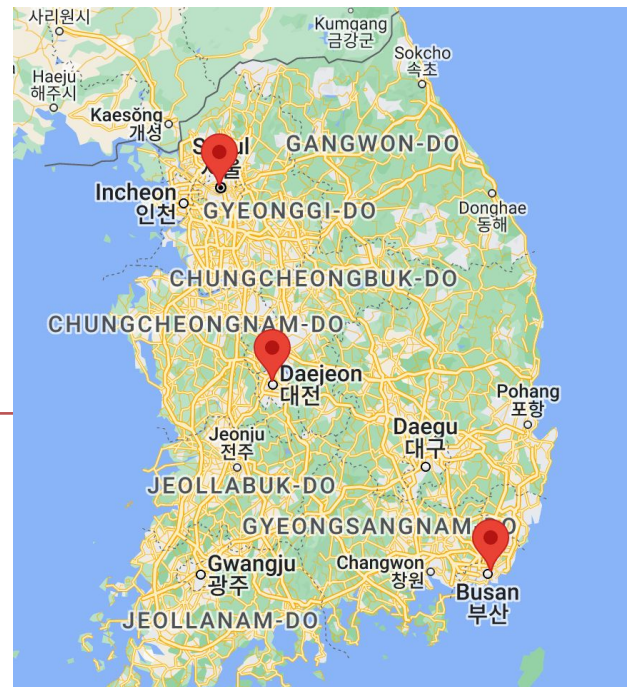

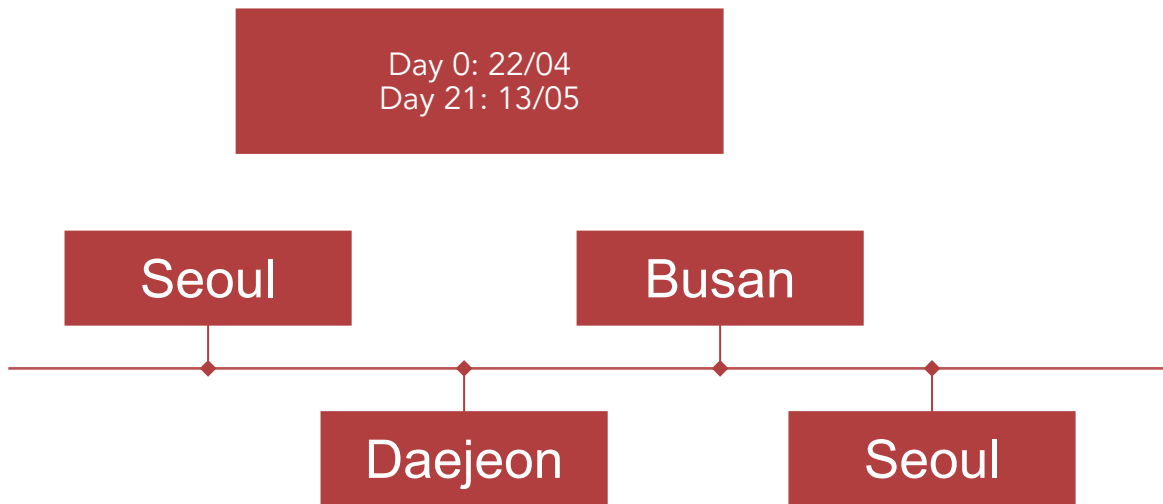

Who are we?

Simon Engel,
Maarten Scheltes,
Nino de Vriend,
Maarten Smeenge

Travel Committee 2025: Kimcie

studytrip2025mc@science.ru.nl

Timeline

The Course

Award:

- > 3 EC
- > Scientific Supervisor
- > Assignments

Beforehand:

- > "Cheat" sheet chosen institute
- > Pre-self reflection

During:

- > Blog
- > Visits to institutes

Afterwards:

- > Literature study
- > Self reflection

General Information

- > Travel Regulations
- > NNV
- > 15 students + organization
- > The Draw: category A. has priority over B., etc.
- > Measurement 99EC: December 6th, includes EC from Q1 24/25

General Information

- A. Members of the committee and scientific supervisor
- B. Students with at least 99 EC and/or enrolled in a Physics master's program at the RU, and who have never participated in a study trip and were previously not selected for the trip
- C. Students with at least 99 EC and/or enrolled in a master's program, and who have never participated in a study trip
- D. Students with at least 99 EC and/or enrolled in a master's program, and who have participated once in a study trip
- E. Students with at least 99 EC and/or enrolled in a master's program, and who have participated more than once in a study trip
- F. Students with less than 99 EC and/or not enrolled in a master's program
- G. Persons who do not belong to the target audience.

The Costs

- €965 (+150 - 965)

Included:

- > Flight to and from South-Korea
 - Estimated to be €800,-

- > +60,- (approximately)

Important dates

Hop Hop

Opening registration: 15-11-2024, today!

Registration deadline: 06-12-2024, 23:59

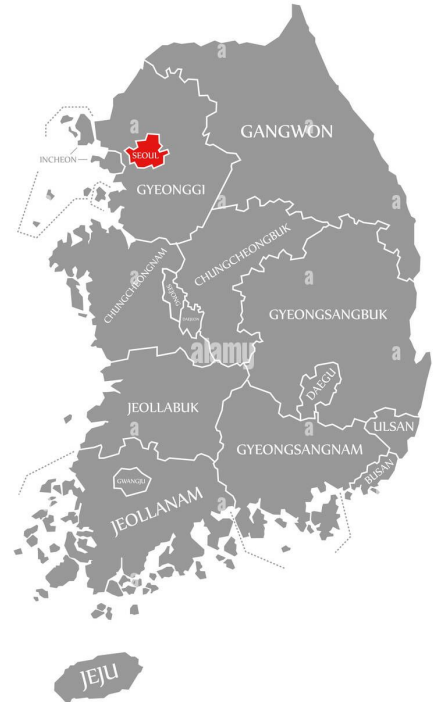

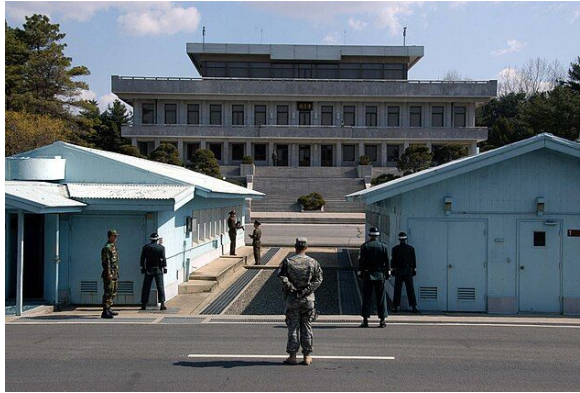

The Draw: 09-12-2024

Payment deadline: 16-12-2024, 23:59

Trip: Tuesday. 22-04-2024 to Monday. 12-05-2024

서울 Seoul

- > War Museum
- > Optional Visit to DMZ
- > Gangnam

대전 Daejeon

부산 Busan

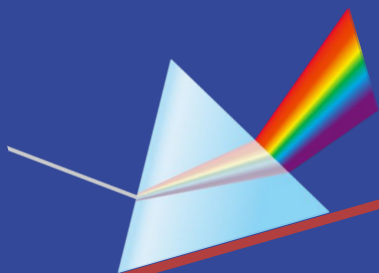

- > Optional stay at Beomeosa
- > Beaches!!

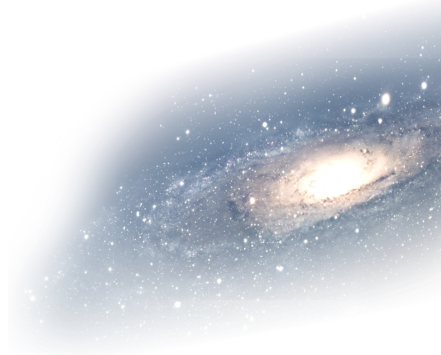

Fields of Physics

这不是韩语

- > Meteorology
- > Engineering
- > Astronomy
- > Solid state physics
- > Biophysics
- > Molecular physics
- > High energy physics
- > Optics

- > Trains 
- > Boats
