Introduction

Sofie van Dam,
Isa Vervuurt,
Yentl Buitelaar,
Dušan Bettonvil,
Pieter van Beek

studytrip2026mc@science.ru.nl

Timeline

The Course

Beforehand:

- > "Cheat" sheet chosen institute
- > Pre-self reflection

During:

- > Blog
- > Visits to institutes

Afterwards:

- > Literature study
- > Self reflection

Award:

- > 3 EC

General Information

- > Travel Regulations
- > NNV
- > 14 students + organization
- > The Draw: category A. has priority over B., etc.
- > Measurement 99EC: December 9th, includes EC from Q1 25/26

General Information

- A. Members of the committee and scientific supervisor
- B. Students with at least 99 EC and/or enrolled in a Physics master's program at the RU, and who have never participated in a study trip and were previously not selected for the previous trip and have a drivers license.
- C. Students with at least 99 EC and/or enrolled in a Physics master's program at the RU, and who have never participated in a study trip and have a drivers license.
- D. Students with at least 99 EC and/or enrolled in a Physics master's program at the RU, and who have never participated in a study trip and were previously not selected for the previous trip
- E. Students with at least 99 EC and/or enrolled in a master's program, and who have never participated in a study trip
- F. Students with at least 99 EC and/or enrolled in a master's program, and who have participated once in a study trip
- G. Students with at least 99 EC and/or enrolled in a master's program, and who have participated more than once in a study trip
- H. Students with less than 99 EC and/or not enrolled in a master's program

The Costs

- €845(+125 - 845)

Included:

- > Flights
- > Trains and car rental
- > Lodgings

Not included:

- > Food and drinks
- > Individual activities
- > CN tower
- > Visit to Niagara falls
- > Metro and busses inside cities
 - (also transport to institutions)

Payment deadline: 16 December 2025

Bonus: Cultural Activities

- > Optional Niagara Falls daytrip from Toronto
- > Max 15 euro if we take the bus (~ 2 hours)
- > Entrance to the park is free

- > Visit the CN tower in Toronto
- > Amazing opportunity to see the city from above
- > Entrance is 30 euros

You will receive an additional list of cultural activities for each city!

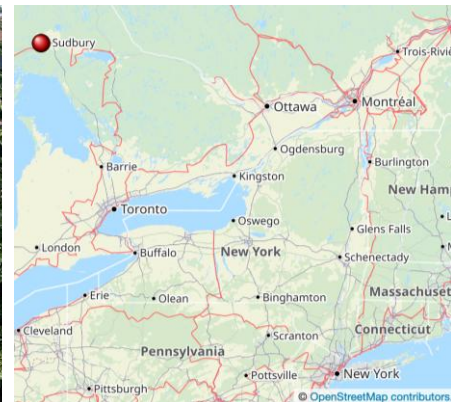

Toronto

- > Optional visit to Niagara Falls
- > Optional visit to CN tower

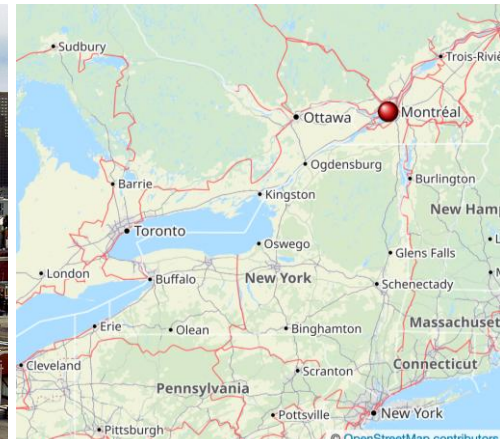

Sudbury

> SNOlab

Montreal

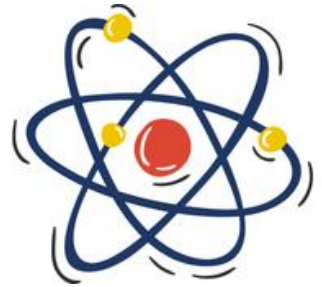

- > French speaking
- > Free time!

Fields of Physics

- > Theoretical physics
- > Astrophysics
- > Material science
- > Neurophysics
- > Atomic physics
- > High energy physics
- > Optics

- > SNOlab!!!

Important dates

Registration deadline: 07-12-2025, 23:59

The Draw: 09-12-2025

Payment deadline: 15-12-2025, 23:59

Trip: Tuesday. 21-04-2026 to Wednesday. 06-05-2026

Thanks for listening
